Accessibility statement

Colas undertakes to make its website accessible in accordance with Article 47 of Law No. 2005-102 of February 11, 2005.

To this end, it shall implement the strategy and actions detailed in its multi-year plan which is currently being drawn up.

This declaration of accessibility applies to [Colas Team Cup](#) website.

COMPLIANCE STATUS

The [Colas Team Cup](#) site is partially compliant with RGAA 4.1 Double-A (AA) level due to the non-conformities and deviations listed below.

TEST RESULTS

The compliance audit carried out by [Ipedis](#) reveals that the compliance rate is 55,81%:

- 24 compliant criteria
- 19 non-compliant criteria
- 63 non-applicable criteria

NON-ACCESSIBLE CONTENT

The contents listed below are not accessible for the following reasons.

Non-compliance

Several elements of non-compliance are described in this document, some of which are recurrent on several pages:

- Some informative images do not have a textual alternative.
- Some decorative images are not ignored by the screen reader.
- Some textual alternatives to informative images are not complete.
- Some visual component colors are not sufficiently contrasted with their background.
- Some media contents (audio. video) lack transcript or audio description.
- Some links combined with their context fail to describe their purpose or destination.
- Some scripts cannot be rendered by assistive technology.
- Some pages do not validate against formal specifications: opening and closing tags. no duplicate attributes. and unique ids.
- Some language changes are not indicated.
- Some semantic HTML elements are inappropriately used for presentation purposes.
- Some pages miss ARIA landmarks to identify their regions.
- Some lists are not tagged as such.
- Some foreground colors are specified without specifying background colors or vice versa.
- Some focus indicators are not visible.
- Some pages do not use two or more of the following techniques: menu. site map. or search function...)
- Some sections of the pages are not tagged with their correct ARIA landmark role.
- Some pages do not provide a functioning link to skip the header and go directly to the main content.

- Some downloadable documents are non-accessible and do not provide an accessible alternative.
- Some automatically moving, blinking, or scrolling information cannot be controlled by the user.

Derogations for disproportionate burden

No derogation identified.

Content not subject to the obligation of accessibility

No content exempt from accessibility requirements identified.
