

COLAS TEAM CUP CHARTER  
4<sup>TH</sup> EDITION  
2025-2026

## A MESSAGE FROM THE CEO

### The Colas Team Cup is back!

I'm delighted to announce the official launch of the **4<sup>th</sup> edition** of this eagerly awaited event. The Colas Team Cup is a flagship moment in the Group's calendar and I'm excited to be experiencing it with you for the first time. I know that many of you have been looking forward to this new edition, as have I.

The Colas Team Cup perfectly embodies our values of **caring, sharing and daring**. I'm particularly pleased to see the return of the **charity dimension**, which made such an impact at the last event. Through the **Colas Foundation's partnership with an association**, every person that signs up is contributing to a good cause, and **charitable challenges** will once again be organized throughout the competition. Together, we have the opportunity to push our limits while having a positive impact on the world around us.

I would encourage as many of you as possible to rise to the challenge and represent your geography with pride!

As with the previous editions, the event will include our signature sports of **running** and **five-a-side soccer**. And once again, this year, we are paying tribute to your commitment and creativity with the "**Incredible Talents**" competition.

Above all, the Colas Team Cup is a great opportunity to meet colleagues from different backgrounds and different geographies. Taking part is not only a way to reinforce our team spirit and sense of **fair play**, but also to continue this wonderful human and community-focused adventure through charitable initiatives.

It's up to you to make this new edition a unique experience for you, your teams and the causes we are supporting together.

I now hereby declare open the fourth edition of the Colas Team Cup. Have an excellent competition!

Faster and stronger together!

**Pierre Vanstoflegatte**

## CHAPTER 1 – Presentation of the Colas Team Cup

### 1.1. The competition

The Colas Team Cup is a competition open to all adult employees of the Colas Group who meet the following criteria:

- On a permanent contract or a long-term contract (excluding fixed-term contracts, internships, and temporary assignments).
- Under an apprenticeship or work-study contract, provided they remain employed within the Colas Group as of March 2026.

The Colas Team Cup is a competition open to all adult employees of the Colas Group on permanent contracts and long-term contracts (excluding fixed-term contracts, internships, apprenticeships, and temporary assignments).

This competition is organized around three categories: five-a-side soccer, running and Incredible Talents.

It takes place in three stages:

- February 3 to March 31, 2025: online registration of employees on [www.colasteamcup.com](http://www.colasteamcup.com)
- April 1 to December 14, 2025: local qualifying rounds organized for each geography (see 1.4 Geographies)
- March 2026: International finals

### 1.2. Objectives

- To give all Group employees an unforgettable, dynamic, teambuilding experience.
- To encourage networking: bonding through sports and team spirit, participating employees will forge links and create a network that will stand them in good stead in the future.
- To boost and promote team spirit, locally and across the Group, based on the CTC's values of surpassing one's own limits, conviviality, solidarity, etc.
- To showcase human values through an exceptional event.

### 1.3. Stakeholders

The following parties are the stakeholders in the Colas Team Cup:

- the "steering committee" in charge of organizing the event,
- the "local coordinators" responsible for managing and organizing competitions in their own particular geography (see paragraph 1.4),
- the "participants" entered in one of the three competition categories,
- the "supporters".

All individuals or organizations belonging to any of the above categories, in whatever capacity, are bound by this charter and must comply with its provisions.

## 1.4. Geographies

Participants represent their geography, not the company that employs them. All specialized subsidiaries (Colas Rail, Spac, Aximum, Colas Digital Solutions, etc.) located in these countries are invited to participate for the corresponding geography.

## 1.5. The Colas Team Cup spirit

All participants and teams wishing to compete in a Colas Team Cup event must respect the rules of fair play set out below, with no exceptions possible. Anyone who fails to do so may be barred from the competition:

- Take part, first and foremost, to have fun;
- Follow the rules and never deliberately commit or try to commit a foul;
- Show respect to officials, referees, other competitors, teammates and organizers at all times;
- Accept all of the referee's decisions, never questioning his/her integrity;
- Refrain from cheating;
- Retain dignity and exercise self-control at all times;
- Refrain from any physical or verbal violence;
- Know how to accept defeat and be a “good loser”;
- Know how to be a good winner, without mocking losing participants.

## CHAPTER 2 – Local qualifying rounds

### 2.1. Rules and regulations for participation

- a) Participants must be Colas Group employees on permanent contract, long-term contract, or an apprenticeship or work-study contract, provided they remain employed within the Colas Group as of March 2026 (excluding fixed-term contracts, internships, and temporary assignments);
- b) Participants must be aged 18 or over;
- c) Participants may take part in only one of the three Colas Team Cup categories;
- d) Participants must date and sign the acceptance document for this Charter at the time of registration;

- e) Participants must date and sign the liability waiver form indicating that they have no medical contraindications to taking part in competitive sports or any of the three categories in the Colas Team Cup challenge at the time of registration;
- f) Participants must date and sign the image rights release form at the time of registration;
- g) Participants must date and sign the Personal Data Protection Policy at the time of registration.

## 2.2. Online registration on the CTC website and qualifying period

### REGISTRATIONS

To take part in the Colas Team Cup, participants or teams must register online on the [www.colasteamcup.com](http://www.colasteamcup.com) website between February 3 and March 31, 2025 by creating a user account. After this deadline, registrations will be closed.

At the time of registration, participants must select their competition category, then enter their personal information to create a user account. Before confirming the registration, the competition organizers must make sure that:

- participants meet conditions a) to c) in Article 2.1,
- participants in the running and Incredible Talents categories have completed and electronically signed the documents indicated in d) to g) in article 2.1 on their user account,
- participants in the five-a-side soccer category have completed and signed the documents indicated in d) to g) in article 2.1 before the local qualifying tournament.

Registration will be completed when the participant receives a confirmation email from the organizers at the email address indicated at the time of registration.

Registrations will close on March 31, 2025 at midnight, Paris time.

In the event of mobility to another geography, participants are encouraged to get in touch with the local coordinators in both their former and new geographies.

### QUALIFYING PERIOD

Participants can qualify for the international finals from April 1, 2025 to December 14, 2025. During this period, they will be able to practice during their spare time and take part in the various local Colas Team Cup tournaments.

No results achieved before or after these dates will be taken into account.

## 2.3. Qualifying criteria

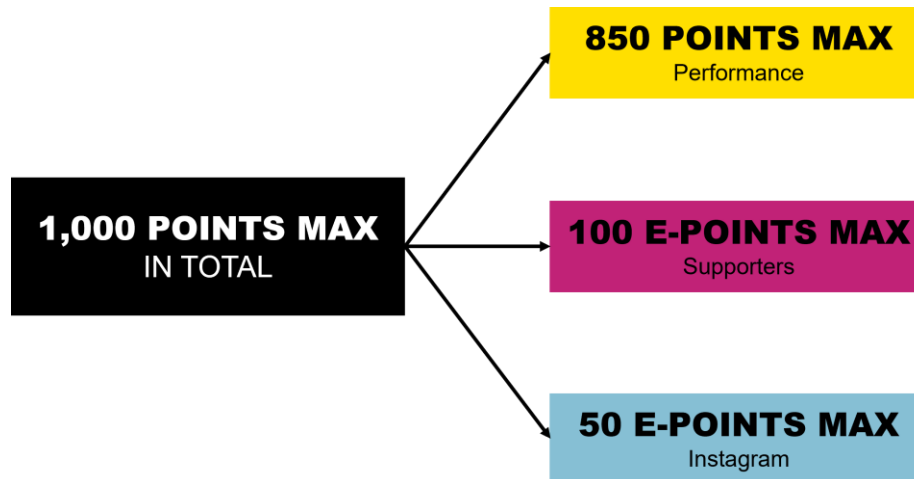

The sports competitions are governed by a point rating system based on both the sporting performance and the “digital presence” of participants and teams on the Colas Team Cup website and on Instagram.

Accordingly:

- Each individual or collective performance for an event corresponds to an associated number of points (maximum 850);
- Each supporter endorsement on the website corresponds to a number of e-points (maximum 100);

- Each share of photos on Instagram using the #colasteamcup hashtag corresponds to a number of e-points (maximum 30);
- Subscription of participants to the @colasteamcup and @Groupe\_Colas Instagram pages corresponds to a number of e-points (20 points).

Points and e-points (maximum of 1,000 points) will then be added up to produce a ranking of participants by geography.

For more information, refer to the dedicated section on the website: [www.colasteamcup.com](http://www.colasteamcup.com).

### SUPPORTER E-POINTS

Employees and people from outside the Colas Group can encourage a participant or a team. Supporters can simply go to the profile of the participant or team they wish to support on the [www.colasteamcup.com](http://www.colasteamcup.com) website and enter their contact details (last name, first name, valid email address), then click on the “SUPPORT” button. Each supporter can only vote ten times and never twice for the same participant or the same team.

For each “support” vote received, the participant or team will be awarded 1 e-point. The total number of e-points accumulated in this way cannot exceed 100 e-points. The computer system will automatically calculate the e-points and include them in the total.

### INSTAGRAM E-POINTS

At the time of registration, participants and teams can indicate their Instagram account information (“public” account) in the form. Each time the participant or team posts a photo directly related to the Colas Team Cup on their Instagram account (see details in the “e-points” regulations on how to ensure a post is valid and will be counted) using the #colasteamcup hashtag, they will be awarded 1 e-point. The total number of e-points accumulated in this way cannot exceed 30 e-points (i.e. 30 posts). The computer system will automatically calculate the e-points and include them in the total.

Any attempt to earn points fraudulently or not in accordance with the charter and the “e-points” regulations will automatically result in exclusion from the competition.

The participant can subscribe to both Instagram pages, @colasteamcup and @Groupe\_Colas, to earn 20 e-points. However, if they subscribe to only one page or none, they will not receive these 20 e-points.

## 2.4. Rules and regulations for sports events

Given the spirit of the Colas Team Cup (see paragraph 1.5), the rules of the federations governing each of the two sports in the competition have been simplified and are explained in annexes to this Charter and also on the [www.colasteamcup.com](http://www.colasteamcup.com) website.

### 2.4.1 Running

Participants registered for the running category must take part in a race (a competition providing a participation certificate confirming the distance run and the time performance) over an official distance (10 km/half marathon/marathon) within the specified period (April 1, 2025 – December 14, 2025 at midnight – Paris time).

Participants must enter their performance on their user account (e.g., 2 hours 50 minutes for a half marathon) and upload confirmation of their performance (screenshot of the race results, performance certificate issued by the race organizer, etc.).

In the interests of sporting fairness, runners taking part in the qualifying rounds will be ranked based on their age. A ranking by age category in each geography will determine the five qualifiers making up a finalist team:

- 18-29 years
- 30-39 years
- 40-49 years
- 50 years and over
- The best overall time in the geography.

For each participant, the age category will be determined for the entire competition based on the participant's age as of April 1, 2025.

The full point scoring system for running is set out in Annex 1 to the Charter.  
The full rules and regulations for running are presented in Annex 2 to the Charter.

### 2.4.2 Five-a-side soccer

Five-a-side soccer is a type of soccer played with five players (four players and one goalkeeper) on a reduced-size field, either in a special sports hall or outdoors. The size of the fields is left to the discretion of the local organizers according to their particular constraints.

A team comprises five players on the field and two substitutes. Each team will appoint a captain.

The objective is to score more goals than the opposing team in a game played over two periods and supervised by a referee appointed in advance by the organizers. The length of the periods is left to the discretion of the local organizers according to their particular constraints (recommendation of two periods of 10 minutes).

Participating players will cover the cost of the personal equipment required for taking part in this sport, in particular their outfit, footwear and shin guards.

The full point scoring system for five-a-side soccer is set out in Annex 3 to the Charter. The full rules and regulations for five-a-side soccer are presented in Annex 4 to the Charter.

### **GENDER DIVERSITY**

To encourage gender diversity in soccer teams, there is a bonus system for each game in the qualifying tournament. A bonus goal will be added to the score at the end of the game for any seven-person mixed team with at least one female player, on condition that at least one female player is present on the field for at least half of the game.

## **2.4.3 Incredible Talents**

### **CATEGORIES**

The Incredible Talents event of the competition consists of three categories open to all participants (individually or in groups of up to five people):

- Stage talent (Dancing, Singing, Music)
- Visual arts
- “My Project”

### **DEFINITION OF THE CATEGORIES**

#### **a) Stage talent**

- **Dancing:** Artistic activity performed by a single person or several partners consisting of the execution of a sequence of rhythmic body movements and postures, usually set to instrumental or vocal music. Any style of dance is permitted in individual or team performances.
- **Singing:** Singing is the emission of varied and rhythmic sounds in which the voice rises and falls, to form a musical whole. Any type of singing is permitted, including rap, slam, opera, beatbox, gospel, pop, reggae, etc.
- **Music:** Music is the “art of sound” and includes any artistic construction intended to be perceived by the ear. Any type of musical instrument is allowed.

#### **b) Visual arts**

Visual arts include all practices or activities giving an artistic, esthetic representation, through shapes and volumes. This category includes drawing, painting, sculpture, street art, photography, video, etc.

#### **c) My Project**

Do you have a project with a positive impact<sup>1</sup> that generates strong personal interest and presents an inspiring goal/challenge? Present your project in this category.

Types of projects permitted: humanitarian, creative, historic, technological, environmental, cultural, scientific, etc.

---

<sup>1</sup> A **positive impact** is a beneficial effect on society, the environment or individuals, helping to solve a problem, improve living conditions, or promote sustainability and inclusivity.

## C. PROCEDURE

Each participant will present their talent via a short video of their performance. The performance must not exceed 2 minutes. Anything beyond the 2-minute mark will not be taken into consideration.

Participants will upload their video to their user accounts directly on the Colas Team Cup website so that it can be scored.

The performers appearing in the videos must be the participants themselves. The videos may not include an existing work by another person.

Participants must ensure that the image and sound quality are good enough to allow the judges to rate their performance.

The video must comply with the following requirements:

- Format: MPEG 4, .mov, .wmv (no .flv accepted)
- Size: 120 Mb maximum

Throughout the qualification period (from April 1, 2025 to December 14, 2025) participants are allowed to share three videos to try to get as many points as possible. The best of the three performances will be taken into account to validate their Incredible Talents score.

## D. JUDGES

Before performances are evaluated by the judging panel, each video will be moderated beforehand to make sure it complies with the competition's rules and regulations. If the performance does not comply with any of the rules and regulations, it will not be deemed to be valid.

The judging panel will be made up of five people (three external experts and two Colas Group employees), who will be responsible for judging and scoring the performances.

For each category, the judges will establish a ranking based on a maximum score of 50 points, i.e., five scores of 10 points maximum.

## E. SCORING

The scoring criteria for each judging panel will be:

- **Presentation quality:** depending on the category, staging and emotion conveyed, fluency, synthesis, credibility (4 points)
- **Mastery of technical aspects and the subject matter** (4 points)
- **Originality and creativity** (2 points)

In the event of a tie between participants on the overall score, the participant with the highest judges' score will be declared the winner. If the contestants are still tied, the winning score will be based on two scores, then three scores and finally, four scores.

The full point scoring system is set out in Annex 5 to the Charter.

**F. IMPARTIALITY**

The judges' decisions are final and cannot be appealed.

**G. IMAGE RIGHTS**

Colas Group reserves the right to use the videos posted on social media and the competition website, on condition that the participant checked the corresponding box at the time of registration.

**H. PARTICIPANTS' COMMITMENTS**

By validating uploading of their videos, participants agree not to:

- Defame, insult, or violate the rights of third parties;
- Reproduce and/or use the brand, company name, logo or any distinctive sign of a third party;
- Reproduce and/or use another participant's video for defamatory purposes;
- Infringe on the privacy of persons who may be mentioned in the video, or of the Colas brand;
- Upload videos showing violence (physical and/or verbal) or with sexual undertones (nudity, obscene or otherwise offensive language or gestures);
- Upload videos of a racial nature or that highlight a religion.

If any of these aspects of the rules and regulations are not respected, participants shall be excluded from the competition.

**2.5 Selection of finalists**

The number and distribution of finalists in the international finals are set out below:

In the event of a tie on total points, the participant or team with the best Performance score in the category will be selected.

## **FINALISTS FROM PREVIOUS EDITIONS**

To promote equal opportunities and give all participants the chance to experience the international finals, the following rules will apply to finalists from previous editions:

- **In the case of the running event**, if a participant has already been a finalist in 2 editions of the Colas Team Cup, but another participant who has never been a finalist ranks between 6<sup>th</sup> and 10<sup>th</sup> place, the organizers will automatically select this new finalist.
- **In the case of 5-a-side soccer**, if the qualified team(s) have already been finalists in 2 editions of the Colas Team Cup, then at least 3 players must be replaced in the team(s) to qualify for the international finals. Otherwise, the organizers will automatically select the next team in the geography's ranking.

## **2.6. Announcement of the list of finalists**

The list of participants and teams qualified for the international finals will be announced in the second half of December 2025 on the Colas Team Cup website. Each finalist will receive an email asking them to confirm their participation.

If a qualified participant is unable to participate in the Colas Team Cup International Finals (e.g., for medical reasons or due to a change in employment status), the available place will be reallocated to the participant from the geography with the highest ranking among the non-qualified participants.

All selected participants will then be contacted by the Colas Team Cup organizers to make travel arrangements for the 2026 international finals.

## ANNEX 2 - RULES AND REGULATIONS FOR RUNNING

Participants registered for this competition must achieve an individual performance over one of the three official distances of their choice: 10 km / half marathon / marathon within the time allowed (from April 1, 2025 to December 14, 2025). It is specified that an official race is understood to mean a race labelled by the Athletics Federation of the country in question (measured distance and individual timekeeping). Participants may compete in as many races as they wish and only the best performance will be used for the ranking.

Secondly, participants must:

- 1/ enter their performance on their user account (e.g., 2:50:00 for a half-marathon),
- 2/ upload proof of their performance on the website (screenshot of the race results, certificate issued by the race organizer, etc.).

A number of points linked with this performance will be allocated to them and will establish their ranking (See Annex 1 of the Charter).

A general “scratch” ranking will be established for men and another for women, before sub-rankings based on the following four age categories.

In the interests of sporting fairness, runners taking part in the qualifying rounds will be ranked based on their age. A ranking by age category in each geography will determine the five qualifiers making up a finalist team:

- 18-29 years
- 30-39 years
- 40-49 years
- 50 years and over
- The best overall time in the geography.

The age category is defined based on the participant's age at the time of their registration for the Colas Team Cup.

For running, if a participant has already been a finalist in two editions of the Colas Team Cup and is 1st in their category, the second-place participant will be qualified in their place by default.

The 1st place in the "Best Time in the Geography" category is automatically selected, and by default, the 2nd place in that category will be awarded the spot.

For the International Finals, if no participant is registered in an age category, the participant ranked 2nd in the higher category will be qualified.

The Colas Team Cup organizers will be able to check the performances of the participants registered for the Colas Team Cup with the official race organizers. In the event of inaccuracy or cheating, the participants will not be allowed to compete in the Colas Team Cup.

Participants agree to comply with the rules and regulations of the race in which they compete.

Participants undertake to notify the organizers of any change in their health that may occur after the date of confirmation of their registration.

In the event of an accident linked to physical incapacity, in particular due to a heart issue, participants agree that the Colas Team Cup organizers cannot be held liable.

All participants hereby declare that they have read these rules and regulations, as well as the internal regulations of the sports center where the events are held, and agree to accept and strictly comply with their terms and conditions, subject to the penalties provided for in said regulations.

To promote equal opportunities and give all participants the chance to experience the international finals, the following rules will apply to previous edition finalists:

- **In the case of the running event**, if a participant has already been a finalist in 2 editions of the Colas Team Cup, but another participant who has never been a finalist ranks between 6<sup>th</sup> and 10<sup>th</sup> place, the organizers will automatically select this new finalist.

## **ANNEX 4 - RULES AND REGULATIONS FOR FIVE-A-SIDE SOCCER**

### **1 - GENERAL POINTS**

Five-a-side soccer is a type of soccer played with five players and two substitutes (four players on the field and one goalkeeper) on a reduced-size field, either in a special sports hall or outdoors. The objective is to score more goals than the opposing team, within the time limit (two halves).

### **2 - SPORTS ORGANIZATION**

The competition is reserved solely for players who are 18 or older (on the day of the tournament).

It is open to men and women, with no particular restrictions.

### **3 - FORMAT OF THE TOURNAMENTS**

The bodies organizing the competition are requested to work in a table format combining men's, women's and mixed-gender teams.

### **4 - FAIR PLAY**

The teams and the referee must shake hands BEFORE and AFTER the game. The referee may award a fair play point to each team at the end of the game during the pool games to reward good behavior and compliance with the rules.

This point will be added to the points acquired during the games and will therefore be taken into account when determining the overall team ranking.

### **5 - POINTS PER GAME**

Points will be awarded as follows during pool games for each stage:

4 points for a win / 2 points for a draw / 0 points for a defeat.

### **6 - FIELD**

The size of the fields and goals is left to the discretion of the local organizers according to their particular constraints.

### **7 - KICK-OFF**

A draw will be held to decide which team will kick off.

A game kicks off with a back pass from the center mark of the field.

### **8 - NETS AND FIELD ZONES**

There is no offside.

A corner kick can be awarded to a team when a member of the opposing team touches the ball and sends it into the nets behind the goals.

Defensively, if a waiting or stationary position prevents a goal, a penalty will be called.

## 9 - THE GOALKEEPER

The goalkeeper is not allowed to leave his/her penalty area.

The goalkeeper may not directly score a goal with his/her hand.

When the goalkeeper receives a back pass from a teammate, he/she may not pick up the ball with his/her hands. If he/she does, this will be treated as a foul and the ball will be returned to the goalkeeper of the opposing team.

The goalkeeper may clear the ball with his/her hand or foot with the ball on the ground. The goalkeeper may not keep the ball in his/her hands for more than three seconds. If he/she does, a whistle will be blown for a foul and the ball will be returned to the goalkeeper of the opposing team. Repeated fouls will be penalized.

## 10 - THE TEAMS

A team comprises five players on the field and two substitutes.

Each team must appoint a captain.

Substitutions may be made at any time during the game and as many times as the team wants.

The referee must ensure that a player leaves the field before his/her substitute comes on.

Any player may move to the goalkeeper position or vice versa during the game at the time of a substitution, which is notified and approved by the referee. Soccer studs may not be worn. Players are advised to wear shin guards.

Before the start of a game, players must make sure they are not wearing any jewelry, rings, chains or earrings.

## 11- GAME DURATION

The duration of the game and of the periods is left to the discretion of the local organizers according to their particular constraints (recommendation of two periods of 10 minutes, with a half-time of 5 minutes). In the event of a draw in knockout games, three goal shots will be played from the penalty mark to decide between the two teams. In the event of a draw after the penalty shootout, a sudden death round will be held between the teams. During this round, each team must play the same number of goal shots from the penalty mark so that one of the two can be designated as the winner. Extra time can be played at the discretion of the referee following deliberate time wasting by one of the teams, when examining an injury or transferring an injured player from the field.

## 12 - THE REFEREE

Each game is played under the supervision of a main referee with all the authority required to ensure compliance with the rules of the game in the course of the game he/she is required to supervise.

An assistant referee is present at each game, in charge of counting points and fouls, monitoring substitutes, checking when the ball goes outside the touch line (when the ball touches the nets) and helping the main referee during penalty shootouts.

The team captain is the only team member allowed to speak to the referee up to the end of the game (the captain must identify him/herself to the referee at the start of the game).

The referee reserves the right to decide how a player will be penalized. It is essential to respect the referee and any dispute can be penalized. No bad behavior will be tolerated.

The referee may penalize a player with a yellow card (sent off for three minutes without substitution) or by a red card (sent off from the game until the end without substitution) if he/she considers this necessary. Two yellow cards during the same game will result in a red card. A player given a red card during a game is not excluded from the competition. A maximum number of three red cards during the Colas Team Cup is allowed. A player exceeding this number of red cards will be definitively eliminated from the Colas Team Cup competition.

The referee must:

- ensure compliance with the rules of the game,
- supervise the game,
- ensure that the players' equipment meets the requirements.

### 13 - FOULS

When the referee signals a foul, the ball is returned to the opposing team at the place where the foul occurred. Play is restarted with a direct or indirect free kick with a wall of players positioned 5 meters from the ball.

Tackles are forbidden as well as any rough play. These are automatically sanctioned by a foul (ball returned to the goalkeeper) or a penalty kick depending on the degree of danger of the tackle, which is left to the discretion of the referee.

During the game, following too much rough play, the referee may send off the player in question (yellow card = sent off for three minutes without substitution, red card = permanent sending off without substitution).

### 14 - PENALTIES AND SHOOTOUTS

Penalties and shootouts will take place in the form of a duel between the goalkeeper of the penalized team and a member of the opposing team.

The player then sets off from the center circle and must attempt a shot outside the penalty area within a maximum of 5 seconds to score.

He/she only has the right to one shot, with no possibility of bouncing the ball off the walls or taking another shot after the ball has been stopped by the goalkeeper.

The goalkeeper is free to move around the entire penalty area as he/she likes.

During a penalty shootout, all other players must be located in the opposing team's part of the field and the referee must ensure that this rule is observed to prevent disruption of the game.

### 15 - LIABILITY

All participants undertake to notify the organizing bodies of any change in their health that may occur after the date of confirmation of their registration.

In the event of an accident linked to physical incapacity, in particular due to a heart issue, participants agree that the Colas Team Cup organizing bodies cannot be held liable.

All participants hereby declare that they have read these rules and regulations, as well as the internal regulations of the sports center where the events are held and agree to

accept and strictly comply with their terms and conditions, subject to the penalties provided for in said regulations.

## 16 - GENDER DIVERSITY IN TEAMS

To encourage gender diversity in soccer teams, there is a bonus system for games during the qualifying tournament. A bonus goal will be added to the score at the end of the game for any seven-person mixed team with at least one female player, on condition that at least one female player is present on the field for at least half of the game.

## 17 – QUALIFICATION FOR THE INTERNATIONAL FINALS

To promote equal opportunities and give all participants the chance to experience the international finals, the following rules will apply to the finalists of previous editions:

- **In the case of 5-a-side soccer**, if the qualified team(s) have already been finalists in 2 editions of the Colas Team Cup, then at least 3 players must be replaced in the team(s) to qualify for the international finals. Otherwise, the organizers will automatically select the next team in the geography's ranking.
